Dear Parents/Carers,

Re: Class and Teaching Staff Structure 2023-2024

The end of another school year is near, and as we prepare for the end of this academic year, we know parents and children will be keen to know who our Class Teachers will be in September. We are proud to welcome some new faces to our team next academic year and look forward to the children meeting them on Wednesday 12th and Thursday 13th July during our 'Move Up Days'.

We are incredibly proud of the quality of the team we have in our school and know they will continue to drive progress and excellence to help all our children to achieve the very best they can.

Please see our staffing and class structure for 2023-2024 below.
