

CRUNCH TIME

Children need nourishment throughout the day, especially during their busy days at school and **from lunchtime, our in house team will be providing catering at Bushbury Lane Academy.** We'll be ready to ensure that there are plenty of delicious, freshly prepared meals ready for when the lunch bell rings.

Our emphasis is on serving food children recognise, using quality seasonal ingredients from local suppliers, cooked in a healthy way, full of flavour with great presentation and a choice that appeals to children and enables them to enjoy a balanced diet.

Menus are attached with this leaflet, there will be three hot meal choices per day. The menu will run from 11.45 to 13.00 pm and we look forward to welcoming your child for lunch!

Also, we will be hosting "Meet the Manager" mornings on a half termly basis where parents will be able to meet the catering manager and discuss the menus or their child's dietary requirements over a cup of tea and a biscuit – details to follow!
