

# Autumn 2 in Reception

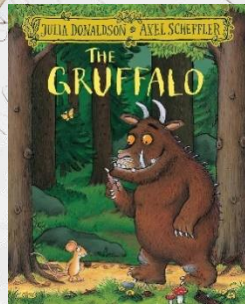

## English

### Writing

#### You Can't Call an Elephant in an Emergency

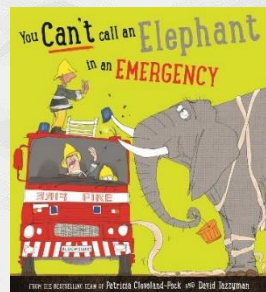

Pupils will make observations based on the front cover. Children will make predictions about the story and use clues from the blurb to do this. Children will read the story and retell by acting out the story and sequencing.

We are reading...

### The Gruffalo

Children will be making observations about the front cover, predicting and sequencing the story to gain fluency. Children will also become familiar with Julia Donaldson and her style of writing, identifying rhyming words throughout the story.

## Maths

### Patterns

Children will be learning about repeated patterns. They will be identifying AB patterns and using materials to create their own patterns such as with natural autumn materials and even making their own fruit kebabs!

### Number and counting

Children will become more familiar with the numbers 1-5. Children will be able to recognise different amounts using different objects and be able to compare and talk about them in length to gain an understanding about each number in depth. Children will be forming these numbers and practicing recognising the numerals and the amounts.

## Learning Adventure

### Marvellous Machines

This project will be teaching children about the technology that is part of their daily lives and how machines help us. The project gives children the opportunity to build and create marvellous machines.

### Puppets and pop-ups

This creative project explores puppets and pop-up books and gives children the opportunity to make puppets and use them to tell exciting stories.

## PSHE

### Celebrating difference

This project will discuss how we are all different. We will look at what we are good at, what makes us special, the differences in our families and our homes and the importance of making friends and acceptance.

## Music

### My Stories

This music project will allow children to listen and respond to different styles of music. We will be learning and singing a variety of nursery rhymes such as "I'm a little teapot" and "Hickory dickory dock". We will also be exploring different festivals through music such as Christmas. We will also begin learning our songs for our Christmas nativity performance!

## PE

### Gymnastics - Flight - Bouncing, Jumping & Landing

Children will explore how to move in different ways sequencing together different moves. They will be learning how to jump and land safely, different ways to travel whilst holding their balance.

### Target games

Children will learn skills such as how to throw and catch confidently and using their feet to make a ball move.
