Dear Parents

### Re: School Meal Cost Increase

As you may be aware, unlike many other schools in the area, we have managed to keep the cost of meals the same for many years at just £2.20 per day (£11.00 per week).

However, due to rising costs from our catering suppliers, from the start of the new academic year in September 2023, the cost of school meals will rise by 20p per day to **£2.40 (£12.00 per week)**.

Children in Reception, Year 1 and Year 2 will continue to receive free meals under the universal free school meals scheme, and children from Year 3 upwards who are entitled to benefits related free school meals will continue to receive free dinners.

If you are currently paying for meals and you would like us to check if you are eligible for free school meals, please contact the school office to ensure that we have your date of birth and NI or NASS number.

Thank you for your continued support.

Yours faithfully
