## **Background**

This policy outlines the programme that is used at Bushbury Lane Academy to induct any newly appointed staff (both teaching and non teaching) and governors. It gives a framework within which all staff and governors can work together to ensure a smooth induction for new staff.

The Induction programme for newly appointed staff is the first part of the School's Staff Development programme, which involves *all* staff - both teaching and non teaching.

Staff are our most expensive resource and form a large part of the investment of the school and therefore the induction programme is planned and budgeted for in the School Development/Improvement Plan.

## **Philosophy**

At Bushbury Lane Academy, we feel it is important that *all* staff - both teaching and non teaching are inducted into the whole team and that induction should begin as soon as practicable after the appointment.

Bushbury Lane Academy encourages the philosophy of a 'whole school approach' to the life and work of the school. All members of the school community are valued and respected as individuals and as members of the whole school team. It is important that new staff are welcomed into the whole school team, helped to establish their role and position within that team. It is vital that new staff are given every assistance in settling into school quickly and happily and gain a knowledge and understanding of the philosophy and ethos of the school, the routines and practices that take place and the way in which the school operates.

### **Responsibilities - Who Supports Newly Appointed Staff?**

The induction of all new staff, including support staff, is an important aspect of school life and is essential in maintaining and developing the school ethos. It is essential that all new staff know who is responsible for giving them support.

At Bushbury Lane Academy, the Induction Programme for newly appointed staff operates under the direction of the Headteacher from the school's leadership team. The Headteacher acts as induction co-ordinator for newly appointed staff as well as being the Staff Development Co-ordinator. Induction is there to help, reassure, guide, counsel, inform and listen, and is responsible for monitoring the progress and professional development of newly appointed staff, guiding new staff through the school documentation, for whole school issues and for organising the appropriate support meetings.

The key stage manager or mentor of a newly appointed teacher such as NQT has an important role in the induction programme. This colleague acts as a 'friend', guide, supporter and adviser on a day-to-day basis, as well as sharing planning on a weekly and termly basis. A teacher who is appointed to take on a teaching role other than that of a class teacher, for example a Booster Class, would have one particular teacher colleague to act as their supporter. This person would take on a similar role to that of the key stage co-ordinator.

Key stage managers or mentors who are to work with a newly appointed teacher, discuss their role in the Induction programme with the Assistant headteacher or Headteacher before the new staff member starts work at the school.

The induction of a new Headteacher is the responsibility of the Chair of Governors, the Deputy Headteacher and the Leadership Team. The Headteacher and Deputy Headteacher induct those newly appointed teachers who become members of the Leadership Team.

Curriculum co-ordinators will give information, support and advice about the curriculum.

The year group teacher of a newly appointed nursery nurse or teaching assistant plays a role in their Induction programme. They are responsible for integrating new appointees into the year group team and familiarising them with year group/class routines and procedures.

The Inclusion Manager is responsible for integrating a new teaching assistant into the team, offering support as a mentor and during the fortnightly TA meetings.

All other staff in school are involved in the induction of any newly appointed staff. All staff assist in integrating a new colleague into the Whole School Team. They share experiences and ideas, help in practical ways and offer support. Newly appointed staff are encouraged to approach any member of staff with any queries they might have. The Headteacher adds the newly appointed staff to the INSET plans for the year and consults new staff regarding their INSET needs.

### **Financing the Induction Programme**

The Headteacher and Governors at BLA recognise the necessity for allocation of funds from the school budget in order to finance the Induction Programme.

The school might need to budget for supply cover so that the Headteacher/key stage co-ordinator can spend time with new staff in the classroom and/or in discussion and seminar sessions.

The Headteacher will need to budget for newly appointed staff to attend relevant courses.

Money for extra class/curriculum resources and for photocopying documents in the induction pack will be required.

### **The Induction Programme**

#### **Aims of the Induction Programme**

- To make all staff feel welcome and at ease in their new environment.
- To enable new staff to settle happily into school so that the quality of learning experienced by the children can be maintained and improved.
- To enable new staff to understand the philosophy and ethos of the school and to observe good practice so that it can be reflected in their own work.
- To enable new staff to make a full contribution, taking on all their responsibilities as soon as possible.
- To foster positive relationships between existing and newly appointed staff and to ensure there is a system of support in place.

Immediately after a successful interview, the Headteacher welcomes a new colleague to the school and answers any questions. At this stage, new staff members are made aware of certain documents (they may be directed to the school's website to view these documents or given a paper copy if requested). These include:

- Staff Handbook
- Policies applicable to their job role

New colleagues are shown around the school and their classroom is identified. New teachers, if possible, meet their key stage co-ordinator/mentor and other members of the year group team, such as nursery nurses or TA's.

A new nursery nurse/TA should meet the year group teachers.

## **Pre Commencement Visits**

Ideally, a new colleague should visit the school several times before starting. This could be in term time or during a holiday. Newly appointed nursery nurses and TA's do not need to visit as often as a new teacher. Teachers meet the year group team, if they have not already done so. If a colleague is appointed at the start of the new school year, it might be practicable to use part of an INSET Day to continue the induction programme.

At this stage, the induction co-ordinator makes available and explains further documentation including:-

- National Curriculum Document;
- School Policies;
- Child Protection Policy and Safeguarding Procedures;
- School record keeping systems;
- Timetables and rotas;
- Term Planner (this includes the dates of all major events in the school year); □ Class lists and class records (teachers only).

A full list of possible items in an induction pack for new staff is in Appendix 1. Some items may not be appropriate for non teaching staff.

New teachers meet the Headteacher and Leadership Group.

The Headteacher explains the school's staffing structure and introduces new colleagues to as many staff as possible. A second guided tour of the building helps identification of other classrooms, curriculum resource centres and stores etc.

It might be appropriate for newly appointed teachers to 'shadow' the class teacher of the children they will be teaching.

## **Initial Induction Meeting – Teaching Staff**

The induction co-ordinator or NQT mentor meets new teacher(s) early in their first term to plan details of the induction programme for the school year. The roles of the induction co-ordinator and year group partner are identified. The induction co-ordinator can be approached informally at any time.

Regular new teaching staff support meetings, taking the form of discussions/seminars are agreed. These could be 'twilight' meetings or held during the school day, if cover can be organised.

## **Initial Induction Meeting – Non Teaching Staff**

The INCO meets non teaching staff early in the term for discussions, when any questions will be answered. Each new member of staff will be allocated to a cover supervisor who will support the new TA's via training and in establishing daily routines. The cover supervisor can be approached informally at any time.

After this initial meeting, new non teaching staff join the regular non teaching staff support meetings, which is held with the SENCO/Inclusion Manager.

The agenda for the next meeting is agreed each time by all parties involved and might include recent policy documents or statements, concerns or queries about the children and the general life and work of the school in relation to non teaching staff.

### **Year Group and Key Stage Meetings - Led by leadership team**

Regular key stage meetings help to integrate newly appointed staff into various teams. Colleagues at such meetings can assist greatly by answering any questions about the day-to-day work of the school.

### **Meeting with the Headteacher**

Newly appointed staff meet the Headteacher to discuss their job description.

### **Other parts of the Induction Programme**

The induction programme incorporates the five 'professional' days for teaching staff. Non teaching staff will be asked to attend two of these days.

Curriculum teams should meet new teachers to discuss curriculum policies and schemes of work.

The Inclusion Manager might discuss the special needs provision within the school with new teachers, their role as a class teacher is assessing, and providing for, children with special needs and the way in which the Code of Practice operates at Bushbury Lane Academy.

The assigned mentors will meet new teachers to discuss teacher assessment, record keeping, reporting to parents etc.
