

# Spring 2 in Reception

## English

### Writing

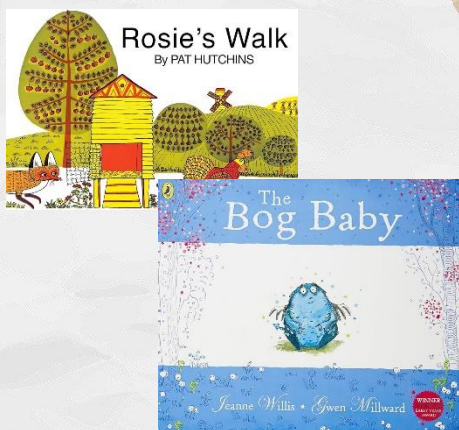

#### Rosie's Walk

Pupils will immerse themselves into fun on the farm with Rosie trying to escape the cheeky fox. Children will be able to use prediction throughout this story, guessing what will happen using clues from the text. They will also become more familiar of sequencing independently and move onto writing captions for what they have sequenced.

#### Bog Baby

Children will be introduced to a new author and discuss pictures throughout the book. The illustrations in the book link nicely to our topic of the signs and spring which will be something we will discuss in our writing lessons where children will be able to use their imagination and describe different settings.

We are reading...

## Maths

### Alive in 5

Children will continue to familiarise themselves with numbers 1-5 children will be learning new skills and vocabulary such as equal and unequal and comparing numbers. Children will understand the composition further of these numbers and use songs and rhymes to help them understand and become fluent in recognising, counting and forming these numbers.

### Growing 6,7,8

Children will be moving onto numbers beyond 5 and repeating the skills previously learned. They will be recognising numbers beyond 5 and understanding how to form, count and recognise these numbers with a good level of fluency. Children will also be exploring length measuring height and length comparing taller, shorter, longer and shorter.

## Learning Adventure

### Ready Steady Grow

Children will learn about food and farming and explores themes, including where food comes from, what plants and animals need to grow and survive and what a healthy lifestyle is.

### Signs of Spring

Children will be learning about the changes that happen during the spring, including weather and the festivals that are celebrated at this time of year.

## PSHE

### Healthy Me

This project will discuss the importance of keeping fit and healthy. We will discuss the choices we make to stay healthy such as exercise and eating fruit and vegetables.

## Music

### Our World

This music project will allow children to continue to listen and respond to different styles of music and name different instruments. We will be learning a variety of Nursery rhymes through our music lessons and rhyme time sessions such as Mary Had A Little Lamb and Here We Go Round The Mulberry Bush. Children will also be continuing to play their own glockenspiel and perform to our friends.

## PE

### Gym – Rocking and Rolling

Children will develop how to rock in different ways using different parts of their body. They will then add travelling into these moves and move in different directions. They will also practice different rolls such as pencil rolls and teddy bears rolls.

### Object Manipulation

Children will be learning about their special awareness and move with different objects in those areas. They will be using kicking, rolling and throwing skills.
